The Honorable William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

Over the years, the Senate Select Committee on Intelligence has taken a high interest in counterintelligence, and we have worked to improve this aspect of our nation's intelligence capability. However, we note with some concern the lack of counterintelligence information being provided to the Committee.

The Intelligence Oversight Act provides that our Committee shall be kept "fully and currently informed" of all intelligence activities of the Intelligence Community. We would, therefore, be grateful if you would instruct appropriate members of your staff to provide the Committee with information regarding these counterintelligence issues. Thank you for your consideration of this matter.

Sincerely,

Barry Goldwater
Chairman

Daniel Patrick Moynihan
Vice Chairman
